**NOTE :**

The rate of transport of foodgrains quoted in proceeding schedules for items 2, 6 & 7 is subject to the following terms and conditions :-

1. The rate for transport of foodgrains etc., is on the basis of net weight of foodgrains.
2. No separate remuneration will be payable for part of gunnies as the remuneration therefore shall be deemed to be included in the rates for transport of net weight of foodgrains.
3. The transport charges are payable for the distance covered by loaded lorries / any other vehicle and not for distance covered on return journey or from garage to place of loading or back to garage. Payment on net weight basis envisaged in the note above applies to handling operations also.
4. No. % rate is allowed on S.O.R. item 2 , 2a & 2b for transportation and only flat rate per M.T. shall be quoted.
5. The distance will be reckoned as fixed by the Chief Engineer PWD or any officer nominated by him or by the GENERAL MANAGER / Deputy General Manager, Food Corporation of India or checked by an officer acting on his behalf rounded off to the nearest 0.50 KM (applicable to item No. 7).
6. No compensation shall be admissible to the contractors in respect of the detention of trucks, any other vehicle at godowns, railheads, railway siding or any other loading / unloading points or any other places unless such detention be of extraordinary kind and the decision of the GENERAL MANAGER and also such claims shall be final both as regards the admissibility and the amount, if any of compensation.
7. No compensation shall be admissible to the contractors on account of non-availability of work sufficient to engage the number of trucks / carts.
8. The weight of bags of foodgrains etc., loaded / unloaded into / from trucks / carts or any other vehicles / wagons at the railhead/ godowns other loading / unloading points shall be worked out on the basis of cent percent weighment if bags are non-standardised and on a check weighment of percentage of bags not exceeding 10% if the bags are standardised, before being loaded / unloaded. The representative of the contractors shall be present at the time of

checking of weights at the loading / unloading points etc., The weight of bags can be arrived at either by weighing the entire loaded lorry over the lorry weighbridge wherever available and deducting the tare weight of the lorry or by means of weighment over platform / beam scales of bags at the time of loading or unloading.

9. No separate remuneration shall be paid for collecting bagging and removal of process waste, ( i.e. Chaff, etc.)
10. The rate for item 5 of the schedule of rates is applicable to godowns situated at a considerable distance from the railway siding in the same premises which have been indicated in the invitation to tender (under place of operation) and in the general information furnished in Appendix - I . This rate includes the remuneration for loading into and unloading from trucks and will be paid in addition to the rate fixed for service item No. 3 or 4 when the GENERAL MANAGER is satisfied that the trucks are actually engaged for carrying the bags from the Railway siding. The decision of the GENERAL MANAGER, regarding the admissibility of this claim shall be final and binding on the contractors.
11. Transportation charges shall be on point to point basis and not on percentage basis. To arrive L1, the over all per MT rate for both handling and transportation (handling charges to be converted to per MT rate) shall be reckoned.
